

# Tribute Together

## Elevating Home Care Together

**At Tribute Home Care, we are deeply grateful for the trust and collaboration of our referral partners.**

That's why we created Tribute Together—a suite of services designed to support you, enhance the care experience, and enrich the lives of our shared clients.

Tribute Together builds upon our foundation of remarkable Caregivers and outstanding customer solutions. With these services, we'll grow together, amplify the impact of home care, and achieve even greater outcomes for our shared clients.

*Your trust and confidence in us means everything.*

*We are committed to honoring that by continuously raising the standard of home care.*

## Let's Build Something Together

We'd love to collaborate with you—reviewing your current activities, sharing our programs, and exploring how we can shape a partnership for greater success.

### Intellectually Stimulating Activities

Lift the spirits of all your residents with a series of enriching and uplifting, intellectually stimulating group activities, planned and carried out by Tribute. With your guidance and approval, we'll offer regular monthly activities with an intellectual, lifelong learning benefit.

### Quality Care Data Dashboard

Gain confidence that your clients are receiving the high-quality service from Tribute. Monitor key service metrics across all clients—match success, punctuality, satisfaction scores, client reviews, detailed notes, and more—all in one comprehensive view.

### Short Hour to Live-In

Respond to all your resident care needs, from brief visits to long hours, with Tribute. For your short hour needs, we'll build a team of short-hour Caregivers specifically for your community, ensuring availability particularly for those hard to meet morning needs.

### Team Skill Development

We'll work together to help your team to increase the effectiveness of home care in your community. We'll empower your team with customized workshops that keep them informed and inspired.

### Client VIP Experiences

Going beyond traditional home care, we'll create more memorable moments that celebrate our clients. From surprise gifts and sentimental activities to outings tailored to their interests, each experience will be designed to lift the spirit.
