Guidance for Families Considering Tribute

The Tribute Advantage: Caregivers Who Lift the Spirit

A Tribute Caregiver lifts spirits and brings your loved one a renewed outlook on life. With warmth, respect, and attentive care, they build meaningful relationships that honor privacy and preserve dignity. You'll see the difference—your loved one will be more open to care, facing each day with confidence and optimism.

Remarkable Caregivers

Our Difference is
Our Caregivers

- **Highly Selective Hiring.** With a 2% hiring rate, we only select the most qualified and compassionate people who match a success profile that's been developed over 12 years.
- **Caregivers Who Love Where They Work.** Everyone here makes Caregivers feel valued and appreciated so they're at their best for you over the long term. 90% would recommend working here to a friend, and many describe us as family.
- **Top-of-Market Pay and Benefits.** We invest in our caregivers with market-leading pay, health insurance, paid time off, 401k plans, and salaried positions —allowing them to focus on outstanding care.
- **Continual Training and Development.** We are the only provider with a dedicated Caregiver Excellence Team, providing one-on-one attention, frequent feedback, and personalized skill development.

Exceptional Service

Company-wide
Commitment to
Exceptional Service

- **Dedicated Team.** Our dedicated Client Solutions team is committed to ensuring your complete satisfaction. They'll be a familiar presence in your loved one's home, and your single point of contact for anything you need.
- **Personalized Care Plans.** Each client receives a detailed care plan tailored to their unique needs and preferences. We're prepared to handle the most challenging situations with creativity, thoughtfulness, and compassion.
- **Mobile App.** Access visit notes, medication records, social activities, and Caregiver schedules when you need them so you're always in the loop with the updates you need.
- **24/7 Availability.** Your needs are too important to wait. We provide access to a team member 24/7 to solve anything that comes at night or over the weekends.
